

AMENDMENT BY CHAIR HILDA L. SOLIS

February 2, 2016

1. Direct the Director of the Department of Regional Planning in cooperation with the Sheriff's Department, Department of Public Health, the Agricultural Commissioner, the Treasurer and Tax Collector, and other departments as necessary, to undertake a study of the potential impacts on residents of banning or regulating medical marijuana cultivation, manufacturing, laboratory testing, and distribution in the county unincorporated areas and report back with the results of the study. The study should also estimate potential revenues to the County that might result from the licensure and taxation of medical marijuana cultivation, manufacturing, laboratory testing, and distribution activities.
